

Name (s) _____

Architectural style presented _____

	Criteria	Exemplary	Meets expectations	Below Expectations
Notes and comments:	A copy of slides with notes was turned in on time and each slide contained something that someone was going to say to class.			
	Minimum of all slides present. (see back)			
	Notecards are thorough, handwritten and turned in on time.			
	All information on housing style accurate.			
	Images were relevant to what was being said.			
	All group members participated in Presentation.			
	PPT was visually appealing and easily read from anywhere in the class			
	Presentation - effectively presented information on PPT while keeping the interest of the audience. Used hand written notes and spoke about each slide. -			
	Participation grade – How well did you listen and pay attention to others. Did not go to the bathroom during presentation. Was not on phone during presentations.
